National Wear Red Day®

Friday, 02 01 19

American Heart Association. Go Red for women

It's no longer just about wearing red; it's no longer just about sharing heart health facts. It's about ALL women and men, making a commitment to stand together with the American Heart Association -American Stroke Association and **Go Red** as we all take charge of our heart health.

Every **40 secs**
someone dies from heart disease and stroke,
yet 80% of heart disease is
preventable.

ART IS GOOD FOR YOUR HEART!

Did you know that creating **ART** can be used to relieve stress and relax your mind and body?

Listening to **MUSIC*** can:

- Improve blood vessel function by relaxing arteries
- Help heart rate and blood pressure levels to return to baseline more quickly after physical exertion
- Ease anxiety in heart attack survivors
- Help people recovering from heart surgery to feel less pain and anxiety (and possibly sleep better).

*According to an article in Harvard Health (as evidenced by a number of different studies)

We encourage you to **WEAR RED** and stop by the many Art Hop Venues that are supporting the **GO RED** movement.
Plus, the American Heart Association will be at the Epic Center hosting live Art Therapy sessions! Look for the big red dress out front!

ARCADIA

Civil House Coffee
344 N. Rose Street **9**
